DEAR CHURCH FAMILY from Grace Kato: "Your concern and personal support was very much appreciated after the passing of my daughter Ann. I can't express my gratitude for all your many cards, phone calls, meals from deaconesses, and others who graciously showered me with blessings. Waiting for God's return when we will meet again. Till that day, may we all be comforted and strengthened by the love of God."

HONORING OUR GRADUATES: Please let us know if you or someone in your family is graduating! From Kindergarten, 8th grade, high school/academy, college/university or graduate school. Please let Pastor Jason or Suzanne in the church office know the name, school, grade level, degree. We want to congratulate these students on their achievements (and don't want to leave anyone out). Thank you.

PRAISES: The GREATEST LOVE - Jesus giving His life for our sins. God's love reflected by acts of courage, kindness and sacrifice of family, friends, neighbors, veterans, first responders, medical personnel and others.

HEALTH CONCERNS: Naomi Turner, recovering from a fall. Gershon Napod's Mom - esophageal cancer, and Gershon's brother Levi; Mirjana Popkow's friend Rouja, 44 yr. old recovering from breast cancer surgery, whose husband is asking for a divorce; Lisa Matthew's mother; Dorothea Amey (cancer has returned and spread to other areas); Mike Godfrey - (stroke recovery); Clinton Hooper (Chad's brother) - surgery recovery; Myrna Hooper (Chad's mother); Evelyn DeLay; Jay Cummings; Larry Miller (serious health issues). For all our brave health care providers who are caring for all kinds of illnesses - may God protect them at this critical time;

From Sharon Croombs-Schwartz: "My son has coronavirus. My niece, 37, received news that her cancer has spread and she has 1-2 years at best. She has 4 children, twins age 12, one 2 1/2 and one 6 months. She has been raised with new age teachings and is really confused, spiritually. Please add her to the prayer list. Pray for God to reach her with His word of love and peace. Her name is Amber."

UPDATES from Anne Curry:

Naomi Turner is in Brookdale, in rehab. She has almost no vision for reading, a hard of hearing roommate with whom she can't really communicate, no books on tape or no religious TV on a dish, both of which she had at home, no walks, no visitors allowed at this time. The phone number is 805-388-8086 and her room number is 191-A. Whoever answers will transfer you to skilled nursing, who'll take her the phone. She cannot phone out. Please pray for her situation, and call occasionally if possible. (What if it were you?) Thank you. P.S. You may also send cards to Naomi at:

Brookdale Camarillo, ATTN: Naomi Turner, Rm #191, 6000 Santa Rosa Rd., Camarillo, CA 93012.

Sharron Croombs-Schwartz' niece Amber has far less time than one would have thought, by the message in March... Not years, even with doctors' propensity to give one extra hope. Not likely months. Weeks? Too short a time, when she needs to know Jesus as her Savior. Please pray for her to know Him, to trust in Him, even as cancer is taking its toll.

Dorothea Amey--has been very ill for a while, and was allergic to one of the chemos. For 3 days she could do absolutely nothing for herself. Were it not for the Covid-19 risk, she would have been hospitalized. With Gene's care and God's overseeing, she now can walk, even did a 3/4 mile walk yesterday and will be going back to chemo again. Chemo has been working--somewhat. 1/2 as much cancer in the liver, lungs about the same. She hasn't the strength to accept calls, but would like to get email messages at eameyd@gmail.com With email, it can be picked up when the person is able. Please pray for Dorothea in all she is going through. And thank you so very much.

BEREAVEMENT: Family of Carol Taylor. Grace Kato in the loss of her daughter, Ann.

NEXT SABBATH, JUNE 6 Message – To be announced; Offering – Church Budget; Sunset – 8:03pm

May 29, 2020

Greetings Church family,

As many of you have heard, the President and the Governor of California declared that churches have the right to re-open their facilities. The original intent was to open at phase 3 of the pandemic, allowing for a safer recovery to local families that desire a community driven worship experience.

The Southern California Conference announced on Wednesday, May 27, at 3:30 pm, that Local SDA Churches can re-open if they fulfill all the requirements the local county and conference have mandated. Upon viewing the documents and analyzing what is best for Camarillo SDA Church, I decided to bring this issue of re-opening to our local church board to determine the best course of action.

The Camarillo Church board discussed possibilities for 1 hour and 30 minutes. After much discussion, we came to the conclusion that reopening the facilities at this point is not worth the risks. The list of requirements are extensive: deep cleaning the church before use, 6 feet social distancing, tracking where people can sit, bathroom usage, temperature checks, hand sanitizer stations, and required masks for everyone.

That is the physical component. We still need to include the restrictions. Members and visitors who are 65 years or older are highly recommended to not attend church. No praise teams, congregational singing, or choirs are to be performed. No Sabbath Schools for children. Children are to be with parents at all times. No potlucks, no children's stories at the front of the church. No hugging, touching, elbow bumping, etc,. At a certain point, we feel that the restrictions are steep and can destroy the worship experience. Therefore, with the new guidelines, I will be exploring new ways to enhance our worship experiences through livestream. Before we were limited to 5 people in the room by the Conference Standards, 6 people in Ventura County. This opens up possibilities for more participation from the congregation while being less restrictive by an in-person requirement. I will be exploring this with the conference next week to see what our options are and how we can best assist in creating a worship experience for you and meet some of your communal needs.

Thank you for your patience and dedication to Lord during this time.

With Love and God's Blessing,

Pastor Jason Whitley

NAD Issues Response to Recent Deaths and Racial Turmoil in U.S.

The Seventh-day Adventist Church in North America is responding to the tragic killings of Ahmaud Arbery in Georgia, Breonna Taylor in Kentucky, George Floyd in Minnesota, and other recent events that clearly document the racial divide destroying the quality of life for so many and the very fabric of our democratic society. As Christians we condemn such actions of hate and violence and call for justice to be served for the victims and their families.

Walls of separation that serve to destroy the essential rights of human dignity, self-worth, and freedom have been built up. These rights are required for all Americans to live and thrive in their local communities. Some of those who have been trusted to protect all members of society have broken their solemn pact to serve others; especially those in need. Americans should never have to live in fear of going out in public just because of the color of their skin or their ethnicity. We can and must do better.

We urge all our church members to prayerfully consider how they interact with everyone in their communities. We ask you to speak out against injustice and hatred, just as Jesus did when He was on this earth. We can make a difference for those who are marginalized and betrayed by others, and we must provide a forum for the voices of the victims of hatred and racism. Our actions can speak louder than words. We can lead by example in how we treat others and demand that all people be treated equally and fairly. As the most ethnically-diverse Christian faith in the United States, our voices represent nearly every community in this country. They must be heard as we serve to heal our broken communities with the love and compassion of Jesus.
