"CAMARILLO'S PERSONAL TESTIMONIES" VIA ZOOM CANCELLED: Due to our new outdoor re-opening format, the 2pm Sabbath afternoon Zoom meetings have now come to a close.

Hello Camarillo Church family,

Covid-19 has created a very interesting time for all of us to be a part of. We have seen so many changes to our basic way of living. There is no doubt that things will never be the same at this point. Also, with the changes, it almost feels as if there is no end to the pandemic in sight. This leaves a very big question in the minds of many of us: what will happen to the church?

Since the first weekend that Covid-19 hit the United States back in March, Camarillo has offered a worship service of some kind through live stream services. Although the services have been limited due to county and church restrictions, we have always tried to provide some nourishment and support during this wild time. The guidelines have been constantly adapting: Changes to singing, physical attendance, occupants in a room, size of the building restrictions, and many other rules like these are changing monthly.

In the first week of July, State of California mandated that churches close their indoor services again. The restriction to this guideline is specifically to IN-DOOR activities, but excludes outdoor participation. Camarillo leadership feels that the community aspect of the church family has been waning as of late and we were already looking into reopening the doors before July restrictions were implemented.

We, at the Camarillo SDA Church, are happy to inform you that we will be **holding in-person church services live outdoors** starting **THIS SABBATH, JULY 18, 2020**. Now, I'm sure this creates a ton of questions, and hopefully I will be able to answer some of them in this letter.

- 1.) Adult Sabbath School will be held in person in the parking lot every Sabbath morning at 9:30am and church Worship Services will be at 10:45am.
- 2.) Health restrictions will be applied to the services. This means that the 6 ft. social distancing applies to non-family members at all times. We will be separating spaces by parking squares to insure that families can keep a safe distance from one another safely.
- 3.) **BRING A MASK AND YOUR OWN WATER**. The drinking fountain will be closed off from usage during the service to limit the potential spread of COVID-19. We would also encourage you to bring your own chairs and potentially a tent if you would like some extra comfort. We will not provide seating at this time. Think of it similarly to church at the beach.
- 4.) Use the Restroom before coming to church. The Men's and Women's restrooms will be available, but we would love to limit the usage as much as possible. The bathroom services will be limited to one person at a time.
- 5.) IF you do not feel comfortable coming to church, there will still be a live stream service that I will be recording the day before. I do not want the outdoor weather to negate the message and

tone of the service at this point. We may look into wind resistant microphone protectors in the future, but this is where we are starting for this week.

6.) Also, if you have a family member, or you yourself, are at high risk, please consider staying home during this time. There is no guarantee that the church family is COVID free. The church is cleaned and monitored constantly, but that doesn't remove the risk.

7.) There will be an offering plate to drop off tithe envelopes. There will also be some hand sanitizers that we will have around the church property to provide some support to you.

I'm sure there are plenty of other questions and I will be happy to answer. Feel free to call pastor Jason Whitley at **1 (661) 714-5498**, as this is the best way to reach me, and I will do my very best to answer your questions.

With Love and Support,

Pastor Jason Whitley

YOUR TITHES & OFFERINGS may be turned in online by using the "Giving" option on the home page of the church website, by mail to the church address, or dropped off in the *new, secure, locked* church mailbox. Thank you so much for your support at this critical time.

AUGUST 1 – CHURCH BUSINESS MEETING: After church at 2pm via Zoom ONLY. We will vote on church office positions as well as membership transfers. All members are invited and encouraged to attend this important meeting.

YOUTH WEEK is going live for viewing, **August 1-8, at 7pm nightly**, at Camarillo SDA Church! Youth Week leaders have adopted the new name, FUSE. Our speaker will be Marco Topete. (Watch for more details).

"Marco Topete was born and raised in San Jose, Calif., in a non-religious home. He learned about Jesus and the Seventh-day Adventist Church while visiting his aunt and decided to be baptized. After serving the local church for a couple of years, his light started to grow dim. He couldn't figure out what was missing, and then someone recommended Youth Rush to him. After serving in Youth Rush as a literature evangelist, Topete remembered that it was as if someone threw gasoline on a fire that was going out. Since then, Topete has been involved in literature ministries in different capacities and is on fire for Jesus and evangelism. Currently, Topete serves the Southern California Conference as the assistant Literature Ministries coordinator. "

CALVIN GARDNER will be preaching (revised schedule) at our church service on July 25, August 1 and August 8.

CALVIN & PAOLA GARDNER are moving to Northern California! Their last Sabbath with us is August 8. We are so thankful for the blessing of their dynamic and inspirational leadership of our Youth and Young Adults for nearly five years. They will be greatly missed! Our love and prayers go with Calvin and Paola as they follow God's call to a new field of ministry. **A FAREWELL gathering is happening after the service on August 8.**

THE PANTRY THANKS YOU for your faithful support, by donations of cash or food and volunteering, which help us make a positive difference to our neighbors in need. **PLEASE CHECK OUT THESE IMPORTANT POINTS:**

- **WE CAN'T CURRENTLY ACCEPT ANY CONTRIBUTIONS OF CLOTHING AND MISCELLANEOUS HOUSEHOLD GOODS.** This is due to the fact that we are now a DRIVE-THROUGH Pantry and can only distribute food.
- **BAGS STILL NEEDED:** Some folks have been dropping off bags (sturdy paper or plastic) for our PANTRY outreach. Thank you! We can definitely make good use of extras you may want to share.

Praying for God's Family

"Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours." Mark 11:24 (NIV)

PRAYER REQUEST FORMS are in the church pews and may be placed in the Prayer Box in the foyer. To update your prayer needs, please contact Prayer Ministry leader **Anne Curry** (805-987-1365) or the Pastor.

PRAISES: From Rick Ingersoll: A follow-up, my 16-year-old grandson Brian's MRI came back negative, no tumors etc, just medication for diagnosis of epilepsy. A relief to the family, God is in charge, and prayer changes things!!!

From Anne Curry (7/13/20): Early in June I asked for your prayers for my sister's brother-in-law, Alvin Fisher. His very distressing and puzzling condition seems to have been taken care of by changing of his meds... He seems to be back to much as he was before. Thank you so very much. It is so helpful and so comforting to be able to ask others to pray with us for our deep concerns!

From Michael Schlemmer: My brother-in-law, Sean Daniels, is doing better and somewhat relieved. They found out ... that the purple mass behind his ear is his Carotid Artery, which was revealed in the CT scan. He has a rare positioning of the carotid artery and it's a good thing they found this out. Initially they were going to give him a shot in his middle ear which may have caused him to bleed out as they would probably hit the artery. His hearing has been improving steadily ever since we've been praying...I appreciate your prayers for Sean and my sister Michelle, and pray these trials bring them closer to Jesus.

HEALTH CONCERNS: John Negley, Sr. (cancer); Henry Hernandez (pinched disc and calcium deposits on neck); Linda (sister of Yoli Hernandez) - Covid-19; Naomi Turner; Gershon Napod's Mom - esophageal cancer, and Gershon's brother Levi; Lisa Matthew's mother; Dorothea Amey (cancer); Mike Godfrey - (stroke recovery); Clinton Hooper (Chad's brother) - surgery recovery; Evelyn DeLay; Jay Cummings; Larry Miller (serious health issues).

From Sharon Croombs-Schwartz: "Well, in my annual check-up they found anemia. Since then we have tracked the slow bleed to a spot of cancer at top of colon. The CAT scan is clear so the cancer is contained. I have surgery tomorrow. (July 14) I should be home by Sabbath and back to work in 3 weeks or so. God has been with me through it all. I had colonoscopy 20 months ago and it was clear."

John Negley Sr. has a diagnosis of cancer and a treatment plan that will keep him alone — no visitors — for 5 weeks. What we can do is two-fold: pray earnestly, and "visit" him by phone. That is a long time to be alone and in a scary situation. His cell # is 813-862-8989. (We have his permission to list it) Now —what if it were you? This is a great time to remember the golden rule and to pour out our prayers to the Great Physician. Thank you!

UPDATE (July 11): **Lisa Matthews** has requested our prayer chain to pray for her **mother**. Her mother is not eating much, cannot walk by herself at all, and is not doing at all well. Lisa fears she may not be around much longer—and is not allowed to visit her in assisted living. Please lift her up in your prayers to our compassionate Savior.

Yoli Hernandez: The doctor has decided to reschedule Henry's July 10 surgery due to new physical complications that would affect his fusion surgery healing and recovery... leg numbness causing muscle weakness, not being able to balance when standing and walking. Doc is rescheduling an MRI for his legs. He is consulting with a carpal tunnel doc. Maybe they will do those surgeries first. Henry has really gone down, not being able to walk and balance are priority to healing after a cervical surgery because you won't be able to move the upper part of your body for weeks. One needs to depend on walking. Sees the doc on the 22nd. They may schedule more tests in between. Please keep praying.

From Sharon Croombs-Schwartz: My son has coronavirus. My niece Amber, 37, received news that her cancer has spread ... She has 4 children, twins age 12, one 2 1/2 and one 6 months. She has been raised with new age teachings and is really confused, spiritually. Please pray for God to reach her with His word of love and peace.

UPDATE: **Amber** came home from 10 days in the hospital (June 15). She is receiving no treatments at this point. She still needs prayer as there is nothing they can do for her cancer. *We continue to pray for her salvation.*

Naomi Turner is in her own room # 246 in the assisted living section of Brookdale. She can receive phone calls directly on her new cell phone number: **602-663-5792**. Please pray for Naomi, and call her when you can. Thank you. Her new mailing address is: Brookdale Camarillo, ATTN: Naomi Turner, Rm #246, 6000 Santa Rosa Rd., Camarillo, CA 93012.

Dorothea Amey—is undergoing chemo. She hasn't the strength to accept calls, but would like to get email messages at eameyd@gmail.com. Cards/notes may be sent to Dorothea and Gene Amey at: 1734 La Cantera Way, Beaumont, CA 92223.

THANK YOU FOR YOUR PRAYERS...AND MANY THANKS TO OUR FATHER FOR HEARING THEM!

BEREAVEMENT: Carol Lowe and family in the loss of her mother, Elsie Peterson. Family of Stan Crisp.
