HEY KIDS! Are you in need of a story or two? Have you read everything you have at home twice already? Have you heard all your story tapes and CDs six times already? Mister Boomer Bill has some stories you might like to hear; stories you might like to read to your dollies or stuffed animals or little brothers or sisters or cousins. I've even got Cradle Roll songs to sing with your baby sisters and brothers. So let me know if you would like a story.

Tell me if you want a story to READ or LISTEN to. Tell me if you want a Short Story or a LONG story. I'll send you the story by e-mail (so be sure to tell me your email address) within a day or two. Send your request to: boomerbillone@gmail.com I'll check my email a couple times a day on my computer. I don't use a "smart phone." Keep Smiling! Jesus Loves YOU!

Best Wishes Always,

Hello Camarillo Church family,

Covid-19 has created a very interesting time for all of us to be a part of. We have seen so many changes to our basic way of living. There is no doubt that things will never be the same at this point. Also, with the changes, it almost feels as if there is no end to the pandemic in sight. This leaves a very big question in the minds of many of us: what will happen to the church?

Since the first weekend that Covid-19 hit the United States back in March, Camarillo has offered a worship service of some kind through live stream services. Although the services have been limited due to county and church restrictions, we have always tried to provide some nourishment and support during this wild time. The guidelines have been constantly adapting: Changes to singing, physical attendance, occupants in a room, size of the building restrictions, and many other rules like these are changing monthly.

In the first week of July, State of California mandated that churches close their indoor services again. The restriction to this guideline is specifically to IN-DOOR activities, but excludes outdoor participation. Camarillo leadership feels that the community aspect of the church family has been waning as of late and we were already looking into reopening the doors before July restrictions were implemented.

We, at the Camarillo SDA Church, are happy to inform you that we will be **holding in-person church services live outdoors** starting **SABBATH, JULY 18, 2020**. Now, I'm sure this creates a ton of questions, and hopefully I will be able to answer some of them in this letter.

- 1.) Adult Sabbath School will be held in person in the parking lot every Sabbath morning at 9:30am and church Worship Services will be at 10:45am.
- 2.) Health restrictions will be applied to the services. This means that the 6 ft. social distancing applies to non-family members at all times. We will be separating spaces by parking squares to insure that families can keep a safe distance from one another safely.
- 3.) **BRING A MASK AND YOUR OWN WATER**. The drinking fountain will be closed off from usage during the service to limit the potential spread of COVID-19. We also encourage you to bring your own chairs and potentially a tent if you'd like some extra comfort. We will not provide seating at this time.
- 4.) The Men's and Women's restrooms will be available, but we would love to limit the usage as much as possible. The bathroom services will be limited to one person at a time.
- 5.) IF you do not feel comfortable coming to church, there will still be a live stream service. Also, if you have a family member, or you yourself, are at high risk, please consider staying home during this time. There is no guarantee that the church family is COVID free. The church is cleaned and monitored constantly, but that doesn't remove the risk.
- 6.) There will be an offering plate to drop off tithe envelopes. There will also be some hand sanitizers that we will have around the church property to provide some support to you.

I'm sure there are plenty of other questions and I will be happy to answer. Feel free to call pastor Jason Whitley at **1 (661) 714-5498**, as this is the best way to reach me, and I will do my very best to answer your questions.

With Love and Support,

Pastor Jason Whitley

Praying for God's Family

"Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours." **Mark 11:24 (NIV)**

PRAYER REQUEST FORMS are in the church pews and may be placed in the Prayer Box in the foyer. To update your prayer needs, please contact Prayer Ministry leader **Anne Curry** (805-987-1365) or the Pastor.

PRAISES: Regarding Evelyn De Lay's daughter Lynda Millar: She got through her surgery 7/24 fine, and the tumor was benign. Many thanks for that!

HEALTH CONCERNS: John Negley, Sr. (cancer); Henry Hernandez (pinched disc and calcium deposits on neck); Linda (sister of Yoli Hernandez) - Covid-19; Lisa Matthew's mother; Dottie Hula (Suzanne Goodrich's mother) - hospice care; Dorothea Amey (cancer); Mike Godfrey - (stroke recovery); Sharon Croombs-Schwartz - cancer treatment; Gershon Napod's Mom - esophageal cancer, and Gershon's brother Levi; Naomi Turner; Clinton Hooper (Chad's brother) - surgery recovery; Evelyn DeLay; Jay Cummings; Larry Miller (serious health issues).

John Negley Sr. has a diagnosis of cancer and a treatment plan that will keep him alone — no visitors — for 5 weeks. What we can do is two-fold: pray earnestly, and "visit" him by phone. That is a long time to be alone and in a scary situation. His cell # is 813-862-8989. (We have his permission to list it) Now —what if it were you? This is a great time to remember the golden rule and to pour out our prayers to the Great Physician. Thank you!

Dorothea Amey-- UPDATE (Aug. 10): "I was unconscious in the hospital for three days. I woke up with a ventilator. I had an extreme reaction to chemo and almost lost my life. God has been very close to me and I am doing well." Dorothea welcomes email messages at eameyd@gmail.com. Cards/notes may be sent to Dorothea and Gene Amey at: 1734 La Cantera Way, Beaumont, CA 92223.

Latest news from Sharron Croombs/Schwartz: "I start oral chemo on Aug. 17 so I ask for prayer that the side effects will be such that I can continue to lead my little school through this difficult year. The chemo is to catch any cancer in my lymph that could be floating. I had 3 lymph nodes inside the colon (not spread outside) that showed cancer out of 16 nodes tested. Because of these 3 lymph nodes I am at a stage 3A cancer which is highly responsive to chemo and has a good prognosis. Of course I am 75, a healthy 75, I am told but still. The Lord knows my length of days and I have planned treatment to give me quality of life and the best chance at eradicating cancer. I am o.k with wherever God leads. He is trustworthy."

UPDATE (July 11): **Lisa Matthews** has requested our prayer chain to pray for her **mother**. Her mother is not eating much, cannot walk by herself at all, and is not doing at all well. Lisa fears she may not be around much longer—and is not allowed to visit her in assisted living. Please lift her up in your prayers to our compassionate Savior.

Yoli Hernandez: The doctor has decided to reschedule Henry's July 10 surgery due to new physical complications that would affect his fusion surgery healing and recovery... leg numbness causing muscle weakness, not being able to balance when standing and walking. Doc is rescheduling an MRI for his legs. He is consulting with a carpal tunnel doc. Maybe they will do those surgeries first. Henry has really gone down, not being able to walk and balance are priority to healing after a cervical surgery because you won't be able to move the upper part of your body for weeks. One needs to depend on walking. Sees the doc on the 22nd. They may schedule more tests in between. Please keep praying.

From Sharon Croombs-Schwartz: My son has coronavirus. My niece Amber, 37, received news that her cancer has spread ... She has 4 children, twins age 12, one 2 1/2 and one 6 months. She has been raised with new age teachings and is really confused, spiritually. Please pray for God to reach her with His word of love and peace.

UPDATE: Amber came home from 10 days in the hospital (June 15). She is receiving no treatments at this point. She still needs prayer as there is nothing they can do for her cancer. *We continue to pray for her salvation.*

Naomi Turner is in her own room # 246 in the assisted living section of Brookdale. She can receive phone calls directly on her new cell phone number: **602-663-5792**. Please pray for Naomi, and call her when you can. Thank you. Her new mailing address is: Brookdale Camarillo, ATTN: Naomi Turner, Rm #246, 6000 Santa Rosa Rd., Camarillo, CA 93012.

OTHER CONCERNS: Starr Halm thanks you for your prayers for God's guidance as she looks for a place to live, that she will find just the place where the Lord wants her to be.

NEXT SABBATH, AUGUST 22: *Message* – To be announced; *Offering* – Conference Worthy Students; Sunset – 7:37pm
