Pray without ceasing by Ellen G. White
Advent Review and Sabbath Herald, Feb. 30, 1900

PRAYER to the Great Physician for the healing of the soul brings the blessing of God. PRAYER unites us one to another and to God. PRAYER brings Jesus to our side, and gives new strength and fresh grace to the fainting, perplexed soul. By PRAYER the sick have been encouraged to believe that God will look with compassion upon them. A ray of light penetrates to the hopeless soul, and becomes a savor of life unto life. PRAYER has "subdued kingdoms, wrought righteousness, obtained promises, stopped the mouths of lions, quenched the violence of fire,"--we shall know what this means when we hear the reports of the martyrs who died for their faith,"turned to flight the armies of the aliens."
