GC Session? There's an App for that!

By NAD Communication

A new iPhone OS application is now available that will assist those attending the GC Session 2010 in Atlanta Georgia. It is a free download from the iTunes store. **Search “GC Session” in the iTunes store.**

The General Conference Session is held every five years, and draws leaders and members of the Seventh-day Adventist Church together to form church policy, conduct church business and address social and theological issues with representation of the world wide church.

This app is provided by the North American Division. The iPhone app contains schedule and news items related to the GC Session event. The session exhibitors are included as well as local hotels, restaurants, transportation information and a facility map.
