**I WANT TO THANK** those who expressed care and concern to me after my horrible incident last Sabbath morning, when two large 95-pound dogs attacked my dog and me. Had it not been for the "three angels" we could have been killed. Three men came to our rescue before the police and fireman arrived. I and my dog both had to be taken to the emergency room. Fortunately our injuries were not as severe as they could have been. -- *Naomi Turner*
