PASTOR TOM SCHROER is our guest speaker this Sabbath and next week. He will be conducting an afternoon leadership seminar for our church leaders.

He has recently been healed by God of severe complications from open heart surgery in 2000. Before his medical leave from the ministry in 2006 he had been pastor of the North Hills SDA Church in Claremont, Calif. for 10 years. Before North Hills he has pastored churches in the Pacific Northwest, the Midwest, the North and Mid-Atlantic states, and the Southeast. He promises that his sermons won’t be all over the map!

Pastor Tom has a passion for seeing the local church today come alive with power just as the early Christian church did that we read about in the book of Acts. He believes that not only can it happen but that it will happen before Christ returns.

You should know better than to say, “Today or tomorrow we will go to the city. We will do business there for a year and make a lot of money!””

You should know better than to say, “Today or tomorrow we will go to the city. We will do business there for a year and make a lot of money!”

What do you know about tomorrow? How can you be so sure about your life? It is nothing more than mist that appears for only a while before it disappears.

James 4:13-14 (Contemporary English Version)
