LINDA VISTA UPDATE: We are excited to see the way God is leading Linda Vista in building up His kingdom here and hereafter. Our children are growing in understanding of how to represent Him now and how to make choices so they have the abundant life He desires for them now and forever. Our school continues to be dedicated to helping parents, families and churches in providing an environment that nourishes mind, body and soul.

This summer we are making campus improvements to the parking, play and basketball areas; adding new soccer goals; finishing the auditorium upgrades; adding a new bell system.

We would like to be able to transport Newbury siblings to and from Newbury in the fall if the Lord works it out for us. We will need to have a vehicle to transport 7 –10 passengers who would pay a fee for the service. Please pray with us for God's leading in this situation. He is not short on ways to bring this about. If you are a parent who would be interested in having your student transported to Newbury, let me know. Call 805-890-7237. If you know of a van or SUV that would be suitable for this use, (not a 15 passenger) is in good condition and reasonably priced, please let me know. Of course donations towards this are welcome and tax deductible.

This coming year is the 50th year that Linda Vista has been serving our churches and families in educating their children. 50 Years of Christ, Character, Community. We plan to celebrate all year long with various events with a major event in April. This will be a Sunday Alumni Festival which will include sports teams for volleyball, basketball, soccer and or football; lots of food, Memory Lane Moments in the auditorium, Jolly Jumps and more for the kids!! Check the Linda Vista Alumni Face Book for developments.
Please remember that if you refer a student to Linda Vista and they stay 2 quarters, you will receive a month’s tuition free for the referral. Don’t forget your public school children who are in good standing in your church and would like to come to our school. They may qualify for the subsidy matching tuition offer of 50%.
