#### **Mark 6:14 - 18 (NKJV)**

<sup>14</sup>Now King Herod heard of Him, for His name had become well known. And he said, "John the Baptist is risen from the dead, and therefore these powers are at work in him."

<sup>15</sup>Others said, "It is Elijah." And others said, "It is <sup>[a]</sup>the Prophet, or like one of the prophets." <sup>16</sup>But when Herod heard, he said, "This is John, whom I beheaded; he has been raised from the dead!" <sup>17</sup>For Herod himself had sent and laid hold of John, and bound him in prison for

the sake of Herodias, his brother Philip's wife; for he had married her. <sup>18</sup> Because John had said to Herod, "It is not lawful for you to have your brother's wife."

Mister Boomer Bill has some stories you might like to hear; stories you might like to read to your dollies or stuffed animals or little brothers or sisters or cousins. I've even got Cradle Roll songs to sing with your baby sisters and brothers. So let me know if you would like a story. Tell me if you want a story to READ or LISTEN to. Tell me if you want a Short Story or a LONG story. I'll send you the story by e-mail (so be sure to tell me your email address) within a day or two. Send your request to: [boomerbillone@gmail.com](mailto:boomerbillone@gmail.com) I'll check my email a couple times a day on my computer. I don't use a "smart phone." Keep Smiling! Jesus Loves YOU!

Best Wishes Always,

# Praying for God's Family

*"Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours." Mark 11:24 (NIV)*

**PRAYER REQUEST FORMS** are in the church pews and may be placed in the Prayer Box in the foyer. To update your prayer needs, please contact Prayer Ministry leader **Anne Curry** (805-987-1365) or the Pastor.

**PRAISES: From Rick Ingersoll:** A follow-up, my 16-year-old grandson Brian's MRI came back negative, no tumors and such, just medication for diagnosis of epilepsy. A relief to the family, God is in charge, and prayer changes things!!!

**HEALTH CONCERNS:** John Negley, Sr. (cancer); Henry Hernandez (pinched disc and calcium deposits on neck); Linda (sister of Yoli Hernandez) - Covid-19; Naomi Turner; Gershon Napod's Mom - esophageal cancer, and Gershon's brother Levi; Mirjana Popkow's friend Rouja (breast cancer recovery); Lisa Matthew's mother; Dorothea Amey (cancer); Mike Godfrey - (stroke recovery); Clinton Hooper (Chad's brother) - surgery recovery; Myrna Hooper (Chad's mother); Evelyn DeLay; Jay Cummings; Larry Miller (serious health issues). For all our brave health care providers who are caring for all kinds of illnesses - may God protect them.

**John Negley Sr.** has a diagnosis of cancer and a treatment plan that will keep him alone — no visitors — for 5 weeks. What we can do is two-fold: pray earnestly, and "visit" him by phone. That is a long time to be alone and in a scary situation. His cell # is 813-862-8989. (We have his permission to list it) Now —what if it were you? This is a great time to remember the golden rule and to pour out our prayers to the Great Physician. Thank you!

**Yoli Hernandez:** Surgery for Henry July 10 was cancelled. He spoke to doctor a few days ago. He has decided to reschedule surgery due to new physical complications that would affect his fusion surgery healing and recovery... The new physical complications are leg numbness causing muscle weakness, not being able to balance when standing and walking. Doc is rescheduling an MRI for his legs and going to get back with him with next steps. He is consulting with a carpal tunnel doc. Maybe they will do those surgeries first. Henry has really gone down, not being able to walk and balance are priority to healing after a cervical surgery because you won't be able to move the upper part of your body for weeks. One needs to depend on walking. Sees the doc on the 22nd. They may schedule more tests in between. Please keep praying.

**From Sharon Croombs-Schwartz:** My son has coronavirus. My niece Amber, 37, received news that her cancer has spread and she has 1-2 years at best. She has 4 children, twins age 12, one 2 1/2 and one 6 months. She has been raised with new age teachings and is really confused, spiritually. Please pray for God to reach her with His word of love and peace. **UPDATE: Amber** has just come home from 10 days in hospital (June 15). She is receiving no treatments at this point. She still needs prayer as there is nothing they can do for her cancer. They keep killing part of the main tumor but not eradicating it. **We continue to pray for her salvation.**

**From Michael Schlemmer:** My brother in law, Sean Daniels, is doing better and somewhat relieved. They found out ... that the purple mass behind his ear is his Carotid Artery, which was revealed in the CT scan. The CT scan was delayed. He has a rare positioning of the carotid artery and it's a good thing they found this out. Initially they were going to give him a shot in his middle ear which may have caused him to bleed out as they would probably hit the artery. His hearing has been improving steadily ever since we've been praying and it's something they are monitoring. As to the cause, I really don't know, he's had some congestion. I appreciate your prayers for Sean and my sister Michelle, and pray these trials bring them closer to Jesus. THANK YOU ALL SO MUCH for your continuing prayers.

**Alvin Fisher**, a brother-in-law of my (Anne Curry's) sister Barbara, has had something happen to him that has affected both his mind and his behavior. They are all very distressed and praying many times daily, plus asking for you to pray with them for the doctor to determine what the problem is and to be able to help. We appeal to the Great Physician, who already knows what the problem is. Thank you for your prayers.

**Naomi Turner** is now (June 17) in her own established room # 246 in the assisted living section of Brookdale. She can receive phone calls directly on her new cell phone number, : 602-663-5792. Please pray for Naomi, and please call her when you can (it's easier now than it was calling through the switchboard!). Thank you. P.S. You may also send cards to: Brookdale Camarillo, ATTN: Naomi Turner, Rm #246, 6000 Santa Rosa Rd., Camarillo, CA 93012.

**Dorothea Amey**--is again undergoing chemo. She hasn't the strength to accept calls, but would like to get email messages at [eameyd@gmail.com](mailto:eameyd@gmail.com). Cards/notes may be sent to Dorothea and Gene Amey at: 1734 La Cantera Way, Beaumont, CA 92223.

**THANK YOU FOR YOUR PRAYERS on these and our other requests.  
AND MANY THANKS TO OUR FATHER FOR HEARING THEM!**
