YOUR TITHES & OFFERINGS may be turned in online by using the "Giving" option on the home page of the church website, by mail to the church address, or dropped off in the new, secure, *locked* church mailbox. Thank you so much for your support at this critical time.

WATCH YOUR STEP if you enter the church. The equipment needed for our outside service on the west side has been placed to allow for safe walking space, but please take extra caution when passing through.

IN DEEPEST SYMPATHY: "Some of you know, some may not. My (*Anne Curry's*) very dear friend **Ingrid Poehler** passed away Tuesday, August 11, finally losing her battle with cancer. Some of you may have been praying during the months of her second round with cancer. She used to visit our church, and for a time she came quite seriously and regularly, besides attending CHIP, the Vegan Gourmet Club, and Wednesday morning prayer and Bible study. She had surgery, chemo and radiation, to deal with her initial cancer. But after 3 years it came back. Her husband Roy wanted me to tell people in our church who knew her, of her passing. She was very committed to our Lord, and her passing is a serious loss to many. Please remember Roy in prayer. Thank you."

August 24, 2020

Greetings Church Family,

I hope this email finds you well and that you have been safe amongst all the craziness that 2020 has had to offer thus far. I write to you with a very bittersweet feeling. This morning, Monday, August 24, I officially received a notification from the Southern California Conference declaring my transfer from interim senior pastor at Camarillo SDA to Senior Pastor at the Culver City SDA Church. This transition will take place officially on October 11 from the conference office.

What this looks like for me is this:

September 14: Sarai (Roxanne Sarai Molina) and I will be married

September 14-28: Honeymoon

October 3: My farewell

October 10: Either my final sermon with you or my first sermon with Culver City SDA. This is not finalized.

October 11: Installed into Culver City SDA.

I know that this may come as a surprise to some while others have had a suspicion of this for many moons. I ask that you pray for Sarai and I in this transition. I also ask that you pray for yourselves as a community while you seek for a new senior pastor. I know that God will find a wonderful leader and God will continue to bless this church as He has in the past.

I can honestly say that I will miss you all. I have learned so much in these 3 years with you. There are so many life lessons to take with me and I will cherish them for the rest of my ministry. Thank you for all the help and support you gave to me and to this church. I could not have led without your willingness to be a part of this family. I love you all and I wish God's greatest blessings on you and your family.

Hopefully I will get to see you before October 11!

God bless you Camarillo Family,

Pastor Jason Whitley

Praying for God's Family

"Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours." **Mark 11:24 (NIV)**

PRAYER REQUEST FORMS are in the church pews and may be placed in the Prayer Box in the foyer. To update your prayer needs, please contact Prayer Ministry leader **Anne Curry** (805-987-1365) or the Pastor.

PRAISES: Janet Younce's sister Sharon (who is very handicapped) had her medical procedure, and your prayers were very helpful to both sisters. Sharon did not admit to it beforehand, but was worried as to whether she was going to make it. She said she could "feel the prayers," and that she went into the procedure feeling peace. Things went well so far, but cessation of pain is yet to come. So prayers can continue, please.

HEALTH CONCERNS: Janet Younce's sister Sharon (recovery from surgical procedure for severe back pain); John Negley, Sr. (cancer); Henry Hernandez (pinched disc and calcium deposits on neck); Linda (sister of Yoli Hernandez) - Covid-19; Lisa Matthew's mother; Dottie Hula (Suzanne Goodrich's mother) - hospice care/assisted living, no visitors; Dorothea Amey (cancer); Mike Godfrey - (stroke recovery); Gershon Napod's Mom - esophageal cancer, and Gershon's brother Levi; Naomi Turner; Clinton Hooper (Chad's brother) - surgery recovery; Evelyn DeLay; Jay Cummings; Larry Miller (serious health issues). Sharon Croombs-Schwartz - cancer treatment; Sharon Croombs-Schwartz's son - COVID-19, and her niece Amber - terminal cancer (please continue to pray for her salvation).

Latest news from Sharron Croombs/Schwartz: "I start oral chemo on Aug. 17 so I ask for prayer that the side effects will be such that I can continue to lead my little school through this difficult year. The chemo is to catch any cancer in my lymph... I am at a stage 3A cancer which is highly responsive to chemo and has a good prognosis. I am 75, a healthy 75, I am told but still. The Lord knows my length of days and I have planned treatment to give me quality of life and the best chance at eradicating cancer. I am O.K. with wherever God leads. He is trustworthy."

John Negley Sr. has a diagnosis of cancer and a treatment plan that will keep him alone — no visitors — for 5 weeks. What we can do is two-fold: pray earnestly, and "visit" him by phone. That is a long time to be alone and in a scary situation. His cell # is 813-862-8989. (We have his permission to list it) This is a great time to pour out our prayers to the Great Physician. Thank you!

Dorothea Amey-- UPDATE (Aug. 10): "I was unconscious in the hospital for three days. I woke up with a ventilator. I had an extreme reaction to chemo and almost lost my life. God has been very close to me and I am doing well." Dorothea welcomes email messages at eameyd@gmail.com. Cards/notes may be sent to Dorothea and Gene Amey at: 1734 La Cantera Way, Beaumont, CA 92223.

UPDATE (July 11): **Lisa Matthews** has requested our prayer chain to pray for her **mother** who is not eating much, cannot walk by herself, and is not doing at all well. Lisa fears she may not be around much longer—and is not allowed to visit her in assisted living. Please lift her up in your prayers to our compassionate Savior.

Yoli Hernandez: Henry's July 10 surgery was cancelled due to new physical complications that would affect his fusion surgery healing and recovery... leg numbness causing muscle weakness, not being able to balance when standing and walking... Henry has really gone down, not being able to walk and balance are priority to healing after a cervical surgery because you won't be able to move the upper part of your body for weeks. One needs to depend on walking. . Please keep praying.

Naomi Turner is in room # 246 in the assisted living section of Brookdale. She can receive phone calls directly on her new cell phone number: **602-663-5792**. Please pray for Naomi, and call her when you can. Thank you. Her new mailing address is: Brookdale Camarillo, ATTN: Naomi Turner, Rm #246, 6000 Santa Rosa Rd., Camarillo, CA 93012.

BEREAVEMENT: For the grieving families of 181,000+ people who have died from COVID-19 in the U.S.

OTHER CONCERNS: Starr Halm thanks you for your prayers for God's guidance as she looks for a place to live, that she will find just the place where the Lord wants her to be.

For all those who have been affected by the devastating hurricanes!

"For people impacted by the wildfires, including the firefighters working in such difficult conditions. All people affected are in such need of God's intervention. Thank you for your prayers for this and for every occasion when we are privileged to pray for the lives and welfare of others. And blessing on you all! "

THANK YOU FOR YOUR PRAYERS...AND MANY THANKS TO OUR FATHER FOR HEARING THEM!
