THE WHOLE CONFERENCE coming up on Monday, February 15, Presidents' Day has been certified to give up to 8 hours of continuing education credits for healthcare professionals. This is a good amount of credits hours for the price of the virtual conference. In addition, if you are unable to watch the conference on Monday, but are registered, you will be able to see a recording of the conference for up to 30 days and still apply for continuing education credits. We hope you will be able to join us on that day for our first ever (and hopefully last) virtual conference. You can go to the website for more details regarding the speakers, schedule, continuing education credits and registration. www.wholeconference.org

COVID-19 PROTOCOLS: Please remember while you are at church or any church function to **wear a mask** and **maintain a 6 foot physical distance** from others with whom you do not live. If you have any symptoms of illness (cough, fever, chills, congestion, runny nose, new loss of taste or smell, shortness of breath, difficulty breathing, fatigue, muscle or body aches, headache, sore throat, nausea or vomiting, diarrhea) please stay at home and enjoy our livestream. *Also, if you test positive for COVID after having been at church recently, please call the church office and send a text message to Dave Pennock* (number in bulletin) so that those present when you were also present and possibly contagious can be notified. *Your identity will be kept confidential.* Attendees will simply be told that “someone at church when you were also at church tested positive for COVID-19.” This is why we ask for your name and contact information when you arrive on Sabbath morning. If you are in the high risk categories for COVID, you may want to stay at home until you receive your vaccinations and they become effective or until the pandemic is over. **Thank you and please stay safe.**
